

Coalition Dot-Mocracy Ranking Exercise

We are inviting statewide partners to help us understand what should be the priority areas for the Georgia Coalition to Prevent Underage Drinking over the next 2 years. Please take a couple minutes to tell us what you think the top 3 priority areas are from the following list.

*1) Please select one item from the following list that best represents what you feel should be the top (#1) priority of the Coalition:

- Hold community information and response sessions to assist targeted communities in responding to assessed needs via presentation of appropriate model policies and programs using the "Getting to Outcomes" approach
- Continue the statewide underage drinking prevention media campaign
- Hold regional model policy and program showcases to highlight underage drinking prevention strategies used to target all GA citizens; with an emphasis on policy makers, prevention professionals, parents of underage youth, and underage youth
- Repeal subsection (c) of Title 3, Chapter 3, Article 2, (3-3-23) of the O.C.G.A., which allows for the possession of alcoholic beverages for consumption by a person under 21 when the parent or guardian gives alcohol to such person in the home of the parent/guardian and when said parent/guardian is present
- Enact legislation making a mandatory discount on Dram Shop Liability Insurance available to retailers who voluntarily attend trainings such as Responsible Alcohol Sales and Service training
- Strengthen the Adult Provider/Social Host Law (O.C.G.A. 51-1-40)
- Enhance the enforcement of laws against the sale of alcohol to minors by increasing the number of routine compliance checks among other enforcement measures
- Increase state taxes for liquor, beer and wine
- Enact legislation to require on-premise and off-premise sellers/servers of beer, wine and liquor to be at least 21 years of age
- Prohibit alcohol marketing targeted to underage youth

*2)Please select one item from the following list that best represents what you feel should be the second (#2) priority of the Coalition:

- Hold community information and response sessions to assist targeted communities in responding to assessed needs via presentation of appropriate model policies and programs using the "Getting to Outcomes" approach
- Continue the statewide underage drinking prevention media campaign
- Hold regional model policy and program showcases to highlight underage drinking prevention strategies used to target all GA citizens; with an emphasis on policy makers, prevention professionals, parents of underage youth, and underage youth
