DIRECTORY

On the following pages of this directory you will find the county names, addresses, and telephone numbers of Sheriff Offices and Police Departments from across the state of Georgia that have at least one Drug Drop Box. In a number of counties there are multiple locations for citizens to drop off their outdated, unused, or unwanted prescription or over the counter drugs. It is very important to note that these Boxes are not designed to accept needles/sharps, syringes with needles, thermometers, IV bags, bloody or infectious waste, personal care products, empty containers, inhalers, medical equipment or hydrogen peroxide. Before disposing of your outdated, unused, or unwanted drugs please tear off or mark through any personal identifying information on the container. If you have any questions with regard to the use of the Drug Drop Box please contact the phone number listed for that particular location.
